BLACK EP3154
EAN-8425181738511

There is a double-access model available with a mail slot that opens onto the street and a door that opens onto the inside of the home, so the parcels can be retrieved from inside the building.

MULTIPACK BASE DOUBLE ACCESS

MEASUREMENTS (mm)

AVAILABLE COLOURS

- RUST EP3158
EAN-8425181738535

The mailbox slot includes a folding metallic tray. When the slot is opened, the tray will move into a horizontal position to receive the parcel. When it is closed, it will slide inside the mailbox.

The parcels will be kept safely inside the mailbox. Only the recipient will be able to collect them by opening the door with their key.

Secure and robust, with a 3 point locking system.
