

# HORIZONTAL MAILBOXES\_ OUTDOOR and INDOOR mailboxes

## HABITAT

H8100/H8200/H8400/H8300/H8350

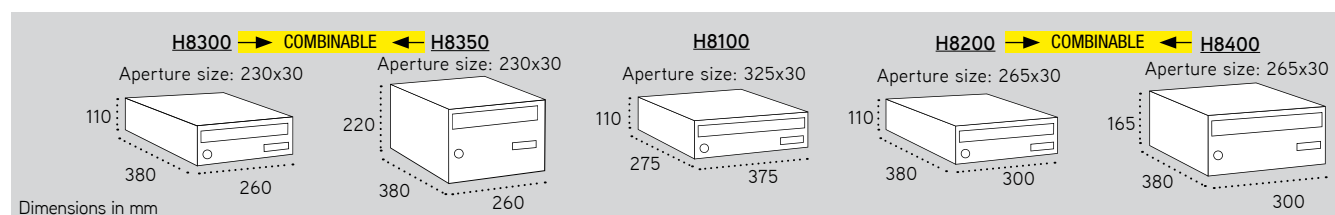

Side opening

It complies with European regulation EN-13724

**A4** DIN-A4 size

### CHARACTERISTICS

- **Material:** Black steel or stainless steel body. Steel door and cast aluminium letterflap or entirely stainless steel front.
- **Antivandalic design:** Sturdy 1 mm thick doors. It has an extra wide security ramp at the mailbox letterflap in order to avoid extracting mail from outside.  
EUROLOCK Grade II locks according to the EN-13724 European norm.
- **Versatility:** Highly recommended for indoor and outdoor use, combined with a surround or fitted into the wall.
