

VERTICAL MAILBOXES_ OUTDOOR and INDOOR mailboxes

HABITAT

V8000

Side opening

It complies with European regulation EN-13724

DIN-A4 size

CHARACTERISTICS

- **Material:** Black steel or stainless steel body. Steel door and cast aluminium letterflap or entirely stainless steel front.
- **Antivandalic design:** Sturdy 1 mm thick doors. It has an extra wide security ramp at the mailbox letterflap in order to avoid extracting mail from outside. EUROLOCK locks with 2000 different combinations.
- **Versatility:** Highly recommended for indoor and outdoor use, combined with a surround or fitted into the wall.
